Sales Celebrating Brooklyn's Great Growth. Great Sales That Set The Pace.

THE CONFIDENCE OF THIS STORE in the community which it commercially represents, a community which has given to it such enviable prestige and preference. has been splendidly sustained by the wonderful figures revealed by the census. Brooklyn's ratio of increase over Manhattan has been announced as nearly double 40°, as compared with 26 in the last ten years. The probabilities for future increases in Manhattan's population grow, and will grow, less. Brooklyn is merely on the edge of its possibilities and probabilities. Its vast land areas have just begun to develop. Its unparalleled advantages to the homeseeker are just being revealed by improved transit. Bounded by the most magnificent water front advantages in the world, Brooklyn has just begun to

We are proud of Brooklyn's magnificent growth. We wish to celebrate way-a way that will be most appre-ciated by Brooklynites, at home and ciated by Brooklynites, at home and coming home.
